POWER HORSE is an Austrian premium energy drink enjoyed by millions of fans across the globe everyday. Its range includes Original, Zero Sugar, Red Rush and Green Rush. It is essentially a lifestyle in a can that fuels ambitions. #UnstoppableYou is not just a brand slogan, but a genuine belief, which embodies exactly the reason for the brand's existence.

At its core POWER HORSE is not about being the absolute best in the world, unlike others, it's about becoming the best of oneself and keep improving. POWER HORSE is all about one's inner confidence, not about visible glory. It stems from the universal insight that not everyone can be the world champion, but everyone can endeavor to become a champion in their own world.

Origin : Australia  Distributed in:

SKIPPY

Origin : USA 

Distributed in: 

Skippy is a brand of peanut butter manufactured in the USA. In 1933, Joseph Rosenfield had the nutty idea to change the formula for peanut butter. He created SKIPPY® peanut butter, which was less sticky and longer-lasting. .

Fifty years after Joseph Rosenfield's innovation, SKIPPY® peanut butter wowed peanut butter lovers with Natural peanut butter, the first no-stir natural peanut butter spread. This new spread was a revelation in nutty goodness with all the flavour, fewer ingredients and less mess. SKIPPY® peanut butter is still the choice for peanut butter lovers, filling lunch boxes, picnic baskets and kitchen tables everywhere.

PURE COCONUT OIL

KLF
ellunād
gingelly/sesame oil

Origin : India 

Distributed in:  

Our Company, KLF Nirmal Industries has a legacy of 75 years tracing back to its founder Mr. K.L Francis who was a pioneer in the coconut oil industry in the State of Kerala, India. The word KLF in our company's name is derived from the name of Mr. K L Francis.

Beginning with traditional coconut cooking oil, over the years we have built up the largest range of coconut and its derivative products. In the Virgin coconut oil segment, we are market leaders in India and GCC with the largest in-house manufacturing capacity. In Coconut Milk Powder (CMP) we are the only Brand to exclusively use coconuts grown in the Malabar region in Kerala. Nuts from this region and our inhouse manufacturing processes impart flavour and aroma which is much appreciated by our consumers. Our CMP inhouse manufacturing capacity is the largest in India.

We launched our GCC operations in the year 2002 and we now over 20 years of experience operating in these markets. In GCC, KLF has market leadership in Coconut Cooking oil and in Virgin Coconut Oil segments. In GCC we operate through our Sharjah Airport International Free Zone based wholly owned subsidiary Company KLF International FZE.

Pet food from The Monge group is the most important Italian industrial production house in the dog and cat food sector. Cooked in oven and seasoned French-style, it adds nutritive value with high content in noble proteins and good vitamins integration, & hence helps in good digestibility.

Origin : Oman 

Distributed in: 

Best in performance “TEEB” are manufactured with original fragrances made from pure attars developed in our own factory under strict quality control. The ingredients which form the fragrances are safe and nontoxic. It leaves nothing but only light and lingering aroma in the atmosphere for a long time. It is a “dry” substance. There is no solvent or water in it, thus you can spray on fabrics, which freshen up without becoming wet or stained. It is ozone friendly.

Origin : Indonesia

Distributed in:
